

Pontiac, a division on GM has a storied past around the world with some iconic performance brands. For instance, the Pontiac GTO is given credit for the start of the whole muscle car craze back in the 60's. How can anyone forget Burt Reynolds with the beautiful Sally Fields outwitting the law in a black Trans Am? Many of our members have pristine examples of such cars and they attract many admirers at any show.

AIIPC Edmonton would like to acknowledge and extend our heartfelt gratitude to our Corporate Sponsors. With their assistance, we have been able to maintain and increase our contributions to local charities year over year. Thank you.

The Iron Indians

The Alberta Iron Indians Pontiac Club (AIIPC) originally formed in 1983. There is one chapter in Calgary and one chapter in Edmonton with almost 200 members across the province.

The club welcomes owners of all models and styles of Pontiacs, whether it be a project car or fully restored vehicles.

Both chapters maintain a busy schedule attending conventions and local events that include World of Wheels and Rock 'N' August, as well as hosting an All GM Show and an All Makes Show. With your support, we can continue to host and operate these two shows during the car season.

The Edmonton chapter officially formed in 2009 and is active in most collector car events around Edmonton and the surrounding area. Leveraging our passion, the Edmonton chapter has been able to raise over \$32,000 over the last ten years for various charitable causes. The club also supports five local families at Christmas providing food and holiday cheer.

All activities such as social events, club cruises to some of the best sites in Alberta, and show & shines are organized by volunteers.

During the car season, AIIPC Edmonton meets on the last Monday of every month from 6-9 pm.

We look forward to seeing you at an event soon!
